

FGP U.S. EQUITY FUND

Investment Policy Statement | January 1, 2019

INVESTMENT OBJECTIVE

The FGP U.S. Equity Fund (the “Fund”) aims to generate an attractive total investment return through long-term capital growth as well as dividend and other income. To achieve this, the Fund will invest primarily in a diversified mix of U.S. equity securities.

INVESTMENT STRATEGY

FGP employs a long-term, bottom-up value-oriented approach to security selection. The portfolio manager, supported by FGP’s research team is responsible for security selection and portfolio construction within FGP’s diversification and risk control guidelines.

PERFORMANCE OBJECTIVE

The Fund’s objective is to exceed the return of its Performance Benchmark over five-year periods.

PERMISSIBLE INVESTMENTS

Eligible equity investments include publicly-listed common and preferred shares, debentures convertible into common or preferred shares, installment receipts, and exchange-traded index participation units.

Eligible cash and money market investments include cash and demand deposits, short term debt securities of Canadian government(s) and corporate issuers including treasury bills issued by the Federal, Provincial or Territorial governments or any of their agencies; bankers’ acceptances, term deposits, commercial paper, the FGP Money Market Fund, and any other evidences of indebtedness with terms to maturity of less than one year.

The Fund may use derivatives, such as currency forwards as permitted by Canadian securities laws, to hedge against potential currency fluctuations.

Diversification and Risk Control Guidelines

The Fund has established guidelines to ensure the investments of the Fund are diversified. The assets of the Fund are invested in a prudent fashion, with securities selected for their overall contribution to the investment objective of the Fund.

Security Level Guidelines: The Fund typically holds 30 to 60 equity securities and the individual weight for each equity investment will vary based on FGP’s assessment of quality. Each security is limited to a maximum weight of 10% of the market value of the Fund. The minimum credit quality for any short-term money market investments is ‘R1’ or ‘A’.

Sector Level Guidelines: There is no minimum investment requirement within a sector. Total investments in any sector may not exceed 40% of the Fund’s market value.

Cash Level Guidelines: The Fund may have a maximum cash weighting of 10%.

Market Capitalization (Cap) Guidelines: The Fund invests directly and indirectly in a diversified portfolio of stocks. The minimum market cap for any one holding is \$100 million.
