

FGP CANADIAN EX-ENERGY EQUITY FUND

Investment Policy Statement | June 1, 2023

INVESTMENT OBJECTIVE

The FGP Canadian Ex-Energy Equity Fund (the “Fund”) aims to generate an attractive total investment return through long-term capital growth as well as dividend and other income. To achieve this, the Fund will invest primarily in a diversified mix of Canadian equity securities, excluding holdings in the energy sector as defined by the Global Industry Classification Standard (GICS).

INVESTMENT STRATEGY

FGP employs a long-term, bottom-up value-oriented approach to security selection. The portfolio manager, supported by FGP’s research team, is responsible for security selection and portfolio construction within FGP’s diversification and risk control guidelines.

PERFORMANCE OBJECTIVE

The Fund’s objective is to exceed the return of its Performance Benchmark over five-year periods.

PERMISSIBLE INVESTMENTS

Eligible equity investments include publicly-listed common and preferred shares, including foreign companies listed on a Canadian stock exchange. Also eligible are income trust units, real estate investment trusts, royalty trusts and limited partnerships provided they trade on the S&P/TSX and are domiciled in a Canadian province that has enacted limited liability legislation. Holdings in securities in the energy sector, as defined by the Global Industry Classification Standard (GICS), are not permitted.

Eligible cash and money market investments include cash and demand deposits, short term debt securities of Canadian government(s) and corporate issuers including treasury bills issued by the Federal, Provincial or Territorial governments or any of their agencies; bankers’ acceptances, term deposits, commercial paper, the FGP Money Market Fund, and any other evidences of indebtedness with terms to maturity of less than one year.

The Fund may invest in units of other FGP Funds from time to time. The Fund may invest all of its assets in units of other FGP Funds. In selecting in which (if any) other Funds the Fund may invest, FGP’s portfolio managers consider whether the underlying Fund will contribute to accomplishing the Fund’s investment objectives including managing diversification, liquidity or other investment risks. Investors in the Fund are entitled, on request, to receive a copy of the Offering Memorandum and the annual and interim financial statements of the underlying Fund(s) from FGP at no charge. If a conflict exists between this policy statement and a policy statement of an underlying Fund, the policy statement of the underlying Fund shall prevail.

Diversification and Risk Control Guidelines

The Fund has established guidelines to ensure the investments of the Fund are diversified. The assets of the Fund are invested in a prudent fashion with securities selected for their overall contribution to the investment objective of the Fund.

Security Level Guidelines: The Fund typically holds 20 to 40 equity securities, and the individual weight for each equity investment will vary based on FGP’s assessment of quality. Each security is limited to a maximum weight of 10% of the market value of the Fund. The top ten equity investments are limited to 60% of the Fund’s market value. The minimum credit quality for any short-term money market investments is ‘R1’ or ‘A’.

Sector Level Guidelines: The Fund is required to have holdings in a minimum of six sectors. There is no minimum investment requirement within a sector. Total investments in any sector may not exceed the performance benchmark sector weight plus 20%.

Cash Level Guidelines: The Fund may have a maximum cash weighting of 5%.
