

FGP INCOME FUND

Investment Policy Statement | April 1, 2025

INVESTMENT OBJECTIVE

The FGP Income Fund (the "Fund") aims to generate an attractive total investment return through income and long-term capital growth. To achieve this, the Fund will invest primarily in a diversified mix of debt obligations and other evidences of indebtedness of primarily Canadian issuers, preferred shares, common shares, income trusts and real estate investment trusts.

The Fund is primarily oriented to taxable individuals and organizations and its objective is to optimize after-tax returns.

PERFORMANCE OBJECTIVE

The Fund's objective is to exceed the return of its Performance Benchmark over five-year periods.

INVESTMENT STRATEGY

FGP utilizes interest rate anticipation, credit sector and security selection strategies in the context of a long-term, bottom-up, value-oriented approach. The portfolio manager, supported by FGP's research team, is responsible for security selection and portfolio construction within FGP's diversification and risk control guidelines.

PERMISSIBLE INVESTMENTS

Eligible equity investments include primarily, but not exclusively, CDN\$ denominated publicly-listed common and preferred shares, securities convertible into common or preferred shares, installment receipts, American Depositary Receipts, Global Depositary Receipts and exchange-traded index participation units. Also eligible are income trust units, real estate investment trusts, royalty trusts and limited partnerships provided they trade on the S&P/TSX and are domiciled in a Canadian province that has enacted limited liability legislation.

Eligible fixed income investments include bonds, debentures, notes, coupons, residuals and other evidence of indebtedness of Canadian or foreign issuers, whether denominated and payable in Canadian dollars or a foreign currency, mortgage-backed securities, asset-backed securities, floating rate notes, private placements, real return bonds, extendible/retractable bonds, and other fixed income oriented securities.

Eligible cash and money market investments include cash and demand deposits, short term debt securities of Canadian government(s) and corporate issuers including treasury bills issued by the Federal, Provincial or Territorial governments or any of their agencies; bankers' acceptances, term deposits, commercial paper, the FGP Money Market Fund, and any other evidences of indebtedness with terms to maturity of less than one year.

The Fund may use derivatives, such as currency forwards as permitted by Canadian securities laws, to hedge against potential currency fluctuations.

The Fund may invest in units of other FGP Funds from time to time. The Fund may invest all of its assets in units of other FGP Funds. In selecting in which (if any) other Funds the Fund may invest, FGP's portfolio managers consider whether the underlying Fund will contribute to accomplishing the Fund's investment objectives including managing diversification, liquidity or other investment risks. Investors in the Fund are entitled, on request, to receive a copy of the Offering Memorandum and the annual and interim financial statements of the underlying Fund(s) from FGP at no charge.

Diversification and Risk Control Guidelines

The Fund has established guidelines to ensure the investments of the Fund are diversified. The assets of the Fund are invested in a prudent fashion, with securities selected for their overall contribution to the investment objective of the Fund.

Equity

Security Level Guidelines: The number of direct holdings will typically not exceed 40 common equity investments. The individual weight for each equity investment will vary based on FGP's assessment of quality. Each security is limited to a maximum weighting of 10% of the market value of the equity component of the Fund.

Market Capitalization (Cap) Guidelines: The minimum market cap for any one direct holding is \$50 million at the time of purchase. Investments in any holding cannot exceed 15% of the company's market cap. The maximum weight of equities with a total issuer market capitalization of less than \$800 million is 35%.
