

FGP SHORT TERM BOND FUND

Investment Policy Statement | April 1, 2025

INVESTMENT OBJECTIVE

The FGP Short Term Bond Fund (the "Fund") aims to generate an attractive total investment return through income and capital appreciation primarily through investments in debt obligations and other evidences of indebtedness of Canadian, U.S., and international issuers. To achieve this, the Fund will invest in a diversified mix of fixed income securities with a maximum modified duration of five years.

INVESTMENT STRATEGY

FGP utilizes a multi-strategy approach, including: interest rate anticipation, credit sector/security selection, and yield-enhancing strategies in the context of a value-oriented approach. The portfolio managers, supported by FGP's research team, are responsible for security selection and portfolio construction within FGP's diversification and risk control guidelines.

PERFORMANCE OBJECTIVE

The Fund's objective is to exceed the return of its Performance Benchmark over five-year periods.

Performance Benchmark

FTSE Canada Short Term Overall Bond Index.

PERMISSIBLE INVESTMENTS

Eligible fixed income investments include bonds, debentures, notes, coupons, residuals and other evidence of indebtedness of Canadian or foreign issuers, whether denominated and payable in Canadian dollars or a foreign currency, mortgage-backed securities, asset-backed securities, floating rate notes, private placements, real return bonds, extendible/retractable bonds, and other fixed income oriented securities.

Eligible cash and money market investments include cash and demand deposits, short term debt securities of Canadian government(s) and corporate issuers including treasury bills issued by the Federal, Provincial or Territorial governments or any of their agencies; bankers' acceptances, term deposits, commercial paper, the FGP Money Market Fund, and any other evidences of indebtedness with terms to maturity of less than one year.

The Fund may use derivatives, such as currency forwards as permitted by Canadian securities laws, to hedge against potential currency fluctuations.

The Fund may invest in units of other FGP Funds from time to time. The Fund may invest all of its assets in units of other FGP Funds. In selecting in which (if any) other Funds the Fund may invest, FGP's portfolio managers consider whether the underlying Fund will contribute to accomplishing the Fund's investment objectives including managing diversification, liquidity or other investment risks. Investors in the Fund are entitled, on request, to receive a copy of the Offering Memorandum and the annual and interim financial statements of the underlying Fund(s) from FGP at no charge. If a conflict exists between this policy statement and a policy statement of an underlying Fund, the policy statement of the underlying Fund shall prevail.

Diversification and Risk Control Guidelines

Security Level Guidelines: The Fund has established guidelines to ensure the investments of the Fund are diversified. The assets of the Fund are invested in a prudent fashion, with securities selected for their overall contribution to the investment objective of the Fund.
