INVESTMENT OBJECTIVE

The GFD - FOYSTON Care & Maintenance Income Fund (the "Fund") aims to generate an attractive total investment return through income and long-term capital growth. To achieve this, the Fund will invest primarily in a diversified mix of debt obligations and other evidences of indebtedness of primarily Canadian issuers, preferred shares, common shares, income trusts and real estate investment trusts.

PERFORMANCE OBJECTIVE

The Fund's objective is to exceed the return of its Performance Benchmark over five-year periods.

Asset Allocation Guidelines

The Fund will be invested as follows:

ASSET CLASS	MINIMUM	BENCHMARK	MAXIMUM
Equities	25%	35%	45%
Preferred Shares	20%	30%	40%
Bonds	15%	25%	35%
Mortgages	5%	10%	15%

PERMISSIBLE INVESTMENTS

The Fund may invest in units of other FGP Funds from time to time. The Fund may invest all of its assets in units of other FGP Funds. In selecting in which (if any) other Funds the Fund may invest, FGP's portfolio managers consider whether the underlying Fund will contribute to accomplishing the Fund's investment objectives including managing diversification, liquidity or other investment risks. Investors in the Fund are entitled, on request, to receive a copy of the Offering Memorandum and the annual and interim financial statements of the underlying Fund(s) from FGP at no charge. If a conflict exists between this policy statement and a policy statement of an underlying Fund, the policy statement of the underlying Fund shall prevail.

Eligible equity investments include primarily, but not exclusively, Canadian dollar denominated publicly-listed common and preferred shares, securities convertible into common or preferred shares, installment receipts, American Depository Receipts, Global Depository Receipts and exchange-traded index participation units. Also eligible are income trust units, real estate investment trusts, royalty trusts and limited partnerships provided they trade on the S&P/TSX and are domiciled in a Canadian province that has enacted limited liability legislation.

Eligible fixed income investments include bonds, debentures, notes, coupons, residuals and other evidence of indebtedness of Canadian or foreign issuers, whether denominated and payable in Canadian dollars or a foreign currency, mortgage-backed securities, asset-backed securities, floating rate notes, private placements, real return bonds, extendible/retractable bonds, convertible debentures, fixed income exchange traded funds, preferred shares, income-oriented equities, and other fixed income oriented securities.

Eligible cash and money market investments include cash and demand deposits, short term debt securities of Canadian government(s) and corporate issuers including treasury bills issued by the Federal, Provincial or Territorial governments or any of their agencies; bankers' acceptances, term deposits, commercial paper, the FGP Money Market Fund, and any other evidences of indebtedness with terms to maturity of less than one year.

INVESTMENT STRATEGY

FGP utilizes interest rate anticipation, credit sector and security selection strategies in the context of a long-term, bottom-up, value-oriented approach. The portfolio manager, supported by FGP's research team, is responsible for security selection and portfolio construction within FGP's diversification and risk control guidelines.

Performance Benchmark

Fund Blended Benchmark:

The Fund may use derivatives, such as currency forwards as permitted by Canadian securities laws, to hedge against potential currency fluctuations.

Diversification and Risk Control Guidelines

The Fund has established guidelines to ensure the investments of the Fund are diversified. The assets of the Fund are invested in a prudent fashion, with securities selected for their overall contribution to the investment objective of the Fund.

Equity

Security Level Guidelines: The number of direct holdings will typically not exceed 40 common equity investments. The individual weight for each equity investment will vary based on FGP's assessment of quality. Each security is limited to a maximum weighting of 10% of the market value of the equity component of the Fund.

Market Capitalization (Cap) Guidelines: The minimum market cap for any one direct holding is \$50 million at the time of purchase. Investments in any holding cannot exceed 15% of the company's market cap. The maximum weight of equities with a total issuer market capitalization of less than \$800 million is 35%.

Fixed Income

Security Level Guidelines: The number of direct holdings will typically not exceed 50 fixed income investments.

Cash Level Guidelines: The Fund may have maximum cash or short term holdings of 10%.

Credit Quality Guidelines: The minimum credit quality for a directly held corporate bond at the time of purchase is 'BBB', as assessed by FGP portfolio managers or analysts, or as determined by a recognized credit rating agency. The minimum overall credit quality for the directly held corporate bond portfolio is 'BBB', and the minimum credit quality for any short-term money market investments is 'R1' or 'A.' The minimum credit quality for any directly held preferred shares at the time of purchase is 'P3-Low'.

INVESTMENT OBJECTIVE

The FGP Canadian Equity Dividend Fund (the "Fund") aims to generate an attractive total investment return through long-term capital growth as well as dividend and other income. To achieve this, the Fund will primarily invest in a diversified mix of dividend-paying Canadian and foreign equity securities.

PERFORMANCE OBJECTIVE

The Fund's objective is to exceed the return of its Performance Benchmark over five-year periods.

PERMISSIBLE INVESTMENTS

Eligible equity investments include publicly-listed common and preferred shares. Also eligible are income trust units, real estate investment trusts, royalty trusts and limited partnerships provided they trade on the S&P/TSX and are domiciled in a Canadian province that has enacted limited liability legislation. Companies with a history of distributing capital in the form of income distributions will be avoided.

Eligible cash and money market investments include cash and demand deposits, short term debt securities of Canadian government(s) and corporate issuers including treasury bills issued by the Federal, Provincial or Territorial governments or any of their agencies; bankers' acceptances, term deposits, commercial paper, the FGP Money Market Fund, and any other evidences of indebtedness with terms to maturity of less than one year.

The Fund may use derivatives, such as currency forwards as permitted by Canadian securities laws, to hedge against potential currency fluctuations.

From time to time, the Fund may invest in units of other related funds for which FGP is the manager and adviser ("FGP Funds"). The Fund may invest all of its assets in units of other FGP Funds. In selecting in which (if any) other Funds the Fund may invest, FGP's portfolio managers consider whether the underlying Fund will contribute to accomplishing the Fund's investment objectives including managing diversification, liquidity or other investment risks. Investors in the Fund are entitled, on request, to receive a copy of the Investment Policy Statement, Offering Memorandum and the annual and interim financial statements of the underlying Fund(s) from FGP at no charge. If a conflict exists between this policy statement and a policy statement of an underlying Fund, the policy statement of the underlying Fund shall prevail.

Diversification and Risk Control Guidelines

The Fund has established guidelines to ensure the investments of the Fund are diversified. The assets of the Fund are invested in a prudent fashion with securities selected for their overall contribution to the investment objective of the Fund.

Security Level Guidelines: The Fund typically holds 20 to 50 equity securities, and the individual weight for each equity investment will vary based on FGP's assessment of quality. Each security is limited to a maximum weight of 10% of the market value of the Fund. The top ten equity investments are limited to 55% of the Fund's market value. The maximum weighting in preferred shares is 25% of the market value of the Fund. The minimum credit quality for any short-term money market investments is 'A' or 'R1'.

Sector Level Guidelines: The Fund is required to have holdings in a minimum of seven sectors. There is no minimum investment requirement within a sector. Total investments in any sector may not exceed the performance benchmark sector weight plus 10%.

Cash Level Guidelines: The Fund may have a maximum cash weighting of 5%.

INVESTMENT STRATEGY

FGP employs a long-term, bottom-up value-oriented approach to security selection. The portfolio manager, supported by FGP's research team, is responsible for security selection and portfolio construction within FGP's diversification and risk control guidelines.

Performance Benchmark

S&P/TSX Composite Dividend Index

Market Capitalization (Cap) Guidelines: The Fund invests directly and indirectly in a diversified portfolio of stocks, generally with a market cap greater than \$800 million. Investments in a single issuer cannot exceed 15% of the issuer's market cap, and at the time of purchase, an issuer must have a minimum market cap of \$100 million. The following additional guidelines are designed to ensure a diversified portfolio of small, mid and large sized companies:

COMPANY MARKET CAP (C\$)	MINIMUM % OF FUND	MAXIMUM % OF FUND
Over \$4 billion	40%	100%
\$800 million to \$4 billion	0%	60%
Under \$800 million	0%	25%

INVESTMENT OBJECTIVE

The FGP Mortgage Fund (the “Fund”) aims to generate an attractive total investment return through income and long-term capital appreciation primarily through investments in mortgage obligations and other evidences of mortgage-related indebtedness of Canadian, U.S., and international borrowers. To achieve this, the Fund will invest primarily in a diversified mix of mortgage securities.

PERFORMANCE OBJECTIVE

The Fund’s objective is to exceed the return of its Performance Benchmark over five-year periods.

PERMISSIBLE INVESTMENTS

Eligible investments include private or public market securities secured by real property or cash flow streams, mortgage-backed securities, asset-backed securities, bonds, debentures, notes, coupons, residuals, floating rate notes, private placements, limited partnerships, real return bonds, extendible/retractable bonds, other evidence of indebtedness of Canadian or foreign issuers, whether denominated and payable in Canadian dollars or a foreign currency, and other mortgage-related fixed income oriented securities (including preferred shares and equities). These investments include, but are not limited to, direct mortgage lending, first mortgage bonds, secured and unsecured mortgage-related debentures, and indirect investments in both open and closed mortgage pools and securitizations, income loans, construction loans, land loans, loan participations units, senior secured, junior secured and mezzanine loans.

Eligible cash and money market investments include cash and demand deposits, short term debt securities of Canadian government(s) and corporate issuers including treasury bills issued by the Federal, Provincial or Territorial governments or any of their agencies; bankers’ acceptances, term deposits, commercial paper, the FGP Money Market Fund, and any other evidence of indebtedness with terms to maturity of less than one year.

The Fund may use derivatives, such as currency forwards as permitted by Canadian securities laws, to hedge against potential currency fluctuations.

From time to time, the Fund may invest in units of other related funds for which FGP is the manager and adviser (“FGP Funds”). The Fund may invest all of its assets in units of other FGP Funds. In selecting in which (if any) other Funds the Fund may invest, FGP’s portfolio managers consider whether the underlying Fund will contribute to accomplishing the Fund’s investment objectives including managing diversification, liquidity or other investment risks. Investors in the Fund are entitled, on request, to receive a copy of the Investment Policy Statement, Offering Memorandum and the annual and interim financial statements of the underlying Fund(s) from FGP at no charge. If a conflict exists between this policy statement and a policy statement of an underlying Fund, the policy statement of the underlying Fund shall prevail.

Diversification and Risk Control Guidelines

The Fund has established guidelines to ensure the investments of the Fund are diversified. The assets of the Fund are invested in a prudent fashion, with securities selected for their overall contribution to the investment objective of the Fund.

Security Level Guidelines: The individual weight for each investment will vary based on FGP’s assessment of suitability. Specific ranges for direct and indirect investments are provided below. Credit rating limits will use credit ratings as assessed by FGP portfolio managers or analysts, or as determined by a recognized credit rating agency.

Cash Level Guidelines: The Fund may have a maximum cash weighting of 20%. The minimum credit quality for any short-term money market investments is ‘R1’ or ‘A’.

INVESTMENT STRATEGY

FGP will utilize our consistent and disciplined fundamental credit process to construct a fund of diversified mortgage or mortgage related investments with the ability to generate stable and appealing returns over long investment horizons for our clients. The portfolio managers, supported by FGP’s research team, are responsible for security selection and portfolio construction within FGP’s diversification and risk control guidelines.
